Lovejoy Road Culvert to remain closed throughout the winter

Flint, Michigan. ---

The Genesee County Road Commission announced today that seasonal construction limitations brought on by the onset of winter will result in the Lovejoy Road Culvert over the Yellow River, between Murray Road and Duffield Roads in Argentine Township, remaining closed throughout the winter. The anticipated reopening of Lovejoy Road is mid-May, 2010.

For more information contact Project Engineer Alex Patsy at (810) 767-4920. And visit the Road Commission's website (www.gcrc.org) for more information on road closures as well as winter safety tips, the Road Commission's winter maintenance policies and a wealth of road-related information and links to other resources.
