## ***Public Meeting/Open House/Input Session - Elms Road Reconstruction***

Flint, Michigan. ---

The Genesee County Road Commission has announced that a public meeting, open-house and input session for the reconstruction of Elms Road Reconstruction from Potter Road to Flushing Road will be held on **October 22, 2009 from 6:00 p.m. to 9 p.m. at the Flushing Charter Township Municipal Center**, located at 6524 N. Seymour Road, Flushing, Michigan near Stanley Road. The purpose of the meeting is to share information and get public input regarding the proposed reconstruction of Elms Road from a 4 lane to a 3 lane roadway. The agenda will be an informal "Open House" with proposed maps, plans, costs and study reports available for public review. Comments from the public will be recorded. The public is welcome and encouraged to attend.

The project is presently being designed. Actual construction work will begin in June of 2010, with the goal of being completed by September 2010. This schedule will have the road construction occur outside of the school schedule. The road will closed to through traffic during construction with a posted detour route.

Reconstruction of this heavily traveled corridor is expected to cost over \$700,000 dollars. It is being primarily with federal 2009 Reinvestment and Recovery Act funds administered through the Michigan Department of Transportation, the Federal Highway Administration and the Genesee County Road Commission.

This open house and input session compiles with the intent of the Michigan Operations Manual D-121 for projects proposing to convert 4-to-3 lane roadways using Federal Aid transportation funds through the Michigan Department of Transportation and the Federal Highway Administration.
