Start of repair of Perry Road Culvert at the Bush Drain delayed Flint, Michigan. ---

The Genesee County Road Commission announced today that safety considerations have forced the postponement of the start of slope improvements and wing-wall repair to the Perry Road Culvert at the Bush Drain west of Belsay Road, near the Jewel of Grand Blanc Golf Course, in Grand Blanc Charter Township.

Originally scheduled to begin Monday, January 11, 2010, the construction project has been rescheduled to start in mid February. The anticipated reopening of the road to traffic by Friday, February 26, 2010 has not changed, however. Motorists are advised that there will be occasional lane closures at this location during working hours as repairs are made.

If you have any questions, please call Construction Manager John Plamondon at (810) 767-4920 ext. 232.

For more information about this and other projects the Road Commission is undertaking or to learn more about the Road Commission's winter operations, including snow plowing priorities and policies, visit the Road Commission's website at www.gcrc.org.

And remember: *Please. Don't Crowd the Plow!*
