CONDITIONS AND RESTRICTIONS

1. Applications must be complete and submitted on Genesee County Road Commission forms.
2. Move to be made with a minimum of interference to traffic, and at no time will the road be close to other traffic.
3. The vehicle will not be loaded or unloaded within the outer shoulder limits of any County road or street.
4. The operator in charge of moving the equipment must have the permit in his possession during the progress of the movement, which permit must be shown upon demand, to any police officer or employee of the Genesee County Road Commission.
5. The permit, if issued, in no way supersedes poster or restricted axle loading limits.
6. Applicant will be responsible for damages to the roads or streets, to persons or to property, caused by, or arising out of the movement involved, and will indemnify and save the County harmless from suits, claims, and damage of every kind or nature arising from use of the roads or streets involved herein. Applicant shall immediately report to the permit issuing office any damage cause to, or along, the streets or roads.
7. Misrepresentation of information set forth in the application for the permit or noncompliance with the provisions on which the permit is issued, shall immediately void the permit and subject the parties involved to appropriate legal action.
8. No permits will be issued for Saturday, Sunday, or holidays.
9. Loads shall be arranged to effect the minimum width.
10. A permit is VOID whenever road, weather or traffic conditions make travel unsafe.
11. Permits are valid only for a single trip.
12. The following insurance coverage must be in force and effect on each vehicle while operating on the public roads or streets under special permits:

		Special Permits	Permits for Buildings
BODILY INJURY LIABILITY	Each person	\$200,000	\$200,000
BODILY INJURY LIABILITY	Each accident	\$500,000	\$500,000
PROPERTY DAMAGE LIABILITY	Each accident	\$100,000	\$100,000

13. On specific movements, the Commission may require more insurance coverage than set forth in Paragraph No. 12.
14. If the equipment is to be moved on any state highways or city street, permission must be obtained from the appropriate authorities.
15. All weights and dimensions listed in the application for permit are to be the actual weights and dimensions of the described loaded vehicle(s).
16. No permits will be issued for any vehicle which exceeds the weight of 700 lbs. Per inch width of tire on any wheel.
17. Permits will not be issued for oversize or overweight vehicles or loads which can be readily dismantled, reduced or otherwise rearranged to come within the legal limits.
18. Three red flags, at least 16 square inches, one on the widest part of the vehicle or load, one front and one rear, shall be so attached that they are visible to other traffic.

ADDITIONAL REQUIREMENTS FOR PERMITS TO MOVE BUILDINGS

19. The building to be moved must be loaded in a workmanlike and safe manner.
20. All brick and other loose material must be removed from the building prior to movement on the road or street.
21. The mover will be held responsible for all damage to wires, signals, trees or other private property and will reimburse the owners for property damage cause by the movement,
22. If any highway sign, structure or railing needs to be moved or dismantled or is damaged in the movement of the building, repair or replacement will be completed by them over to the satisfaction of the Genesee County Road Commission.
23. The mover must make prior arrangements with the proper authorities for the handling of wires, cables, signs and signals, the crossing of railroads, and for the necessary trimming and protection of trees.
24. In the event of breakdown or unavoidable delay, every effort must be made to remove the building from the street or road. If the building cannot be removed, it shall be clearly marked with warning lights, and be attended by a watchman to direct traffic.
25. Pneumatic tires must be used on all equipment and vehicles when moving building s on County roads or streets.
26. Applications must be on file in the Permit Office at least three (3) working days prior to date of movement.
