211.762 Deferment of special assessments on homesteads; conveyance or transfer of or contract to sell homestead; termination of deferment; interest charge; notice.

- Sec. 2. (1) The payment of special assessments assessed and due and payable on a homestead in any year in which the owner meets all of the terms and conditions of this act shall be deferred until 1 year after the owner's death, subject to further order by the probate court or until the homestead or any part of the homestead is conveyed or transferred to another or a contract to sell is entered into. The death of a spouse shall not terminate the deferment of special assessments for a homestead owned by husband and wife under tenancy by the entireties as long as the surviving spouse does not remarry. Special assessments deferred under this act may be paid in full at any time.

The amount of interest shall be payable to the collecting officer and transmitted by that office pursuant to section 9.
- (3) The department shall notify each owner whose special assessments are authorized to be deferred under this act that if legal or equitable title to the homestead or any part of the homestead is conveyed or transferred or a contract to sell the homestead or part of the homestead is entered into, the deferment is terminated and the amount deferred is immediately due and payable, plus interest as provided in subsection (2).

History: 1976, Act 225, Imd. Eff. Aug. 4, 1976;—Am. 1980, Act 403, Lind. Eff. Jan. 8, 1981.

211.763 Deferment of special assessments on homesteads; eligibility; limitation on household income; gross amount of special assessment; maximum dollar amount of household income; adjustment; reacquisition of property purchased through tax sale; land contract as special assessment; borrowing money from lending institution to pay special assessment; repayment from special revolving fund; lien.

- Sec. 3. (1) An owner of a homestead who is 65 years of age or older or who is totally and permanently disabled, a citizen of the United States, a resident of this state for 5 or more years, and the sole owner of the homestead for 5 or more years is eligible for the deferment of special assessments on that homestead pursuant to this act. The owner and the owner's spouse shall not have received during the last calendar year household income as defined in section 508 of Act No. 281 of the Public Acts of 1967, as amended, being section 206.508 of the Michigan Compiled Laws, in excess of \$8,000.00; this amount shall be increased to \$10,000.00 for the determination of eligibility for a deferment after December 31, 1982. The gross amount of the special assessment, exclusive of interest, shall not be less than \$300.00.
- (2) The maximum dollar amount of household income required by subsection (1) to be eligible for the deferment of special assessments under this act shall be adjusted each year beginning on January 1, 1984, pursuant to the annual average percentage increase or decrease in the Detroit consumer price index—all items as defined and reported by the United States department of labor, bureau of labor statistics. The adjustment shall be made by multiplying the annual average percentage increase or decrease in the Detroit consumer price index for the prior calendar year by the current maximum dollar amount of the household income requirement as adjusted by this subsection. The resultant product shall be added to the maximum dollar amount of the household income requirement as adjusted by this subsection and then rounded off to the nearest whole number, which shall be the new household income requirement for the current year.
- (3) After January 1, 1975, a person 65 years of age or older who otherwise qualifies under this section for deferral of special assessments who fails to pay a prior delinquent special assessment and thereby lost the property to the local unit of government who purchased the property through tax sale may reacquire the property from the local unit of government through a land contract. The land contract for a parcel of property reacquired under the circumstances set forth in this subsection shall be treated as a special assessment for purposes of this act.
- (4) The owner of a homestead who is 65 years of age or older or is totally and permanently disabled, a citizen of the United States, a resident of this state for 5 or more years, and the sole owner of the homestead for 5 or more years, in the year the special assessment was levied, and who has borrowed money from a lending institution to pay a special assessment before the effective date of this subsection, shall be eligible to receive money from the special revolving fund created in section 10, to be used for the purpose of repaying the lending institution the principal amount used by the person to pay the special assessment. The department shall cause a lien on the homestead in favor of the state to be recorded with the appropriate register of deeds, indicating the amount of the money paid and identifying the homestead. Money paid from the fund under this subsection shall be treated as if the money had been paid as deferred special assessment.

A person making a false affidavit for the purpose of obtaining deferment of special assessments under this act is guilty of perjury. If the homestead is owned jointly by husband and wife, each spouse shall sign and file the affidavit. If the homestead is encumbered by a mortgage or an unpaid balance on a land contract, a deferment of special assessments shall not be made without the written consent of the mortgagec or the land contract vendor, which shall be filed with the affidavit. The affidavit shall be filed with the local assessing officer at least 30 days after the due date of a special assessment or installment of a special assessment for which deferment is requested.

The department shall transmit to the collecting officer the sum of money required to indemnify the local special assessment district for a revenue loss resulting from the deferment of the special assessment. At the same time, the department shall cause the recording of a lien in favor of the state with the register of deeds and notify the county treasurer of the special assessment deferred, indicating the amount deferred for each special assessment and identifying the homestead. The county treasurer shall keep a record of the notice and shall require that the homestead be included in the subsequent return of delinquent taxes by each collecting officer, that the property is identified on the delinquent roll as provided in this act, and that the amount of special assessment shown on the roll as due and unpaid are the same as the amount approved by the department for deferment. The sum received by the collecting officer from the department shall be distributed to the several special assessment districts in direct proportion to their respective shares of the total of special assessments deferred in the same manner that distribution would be made had the same amount been received from the payment of the special assessments. The collecting officer shall enter on the current tax roll opposite each homestead for which deferment is allowed a notation that payment is deferred pursuant to this act.

Instructions for Form 2748 Senior Citizen or Totally and Permanently Disabled Person's Affidavit Requesting Special Assessment Deferment

PURPOSE

The purpose of Public Act 225 of 1976, as amended, is to defer payment of special assessments for senior citizens or totally and permanently disabled persons who qualify under the act. (For a description of special assessments, see instructions for line 7.)

The State of Michigan will pay the entire unpaid balance of the special assessment including delinquent, current, and future installments. At the time of payment, a lien on any property will be recorded in favor of the State of Michigan. The lien will be subject to interest at one-half of one percent (0.005) per month or fraction of a month (six percent per year), when repaid to the State. The lien will be removed when the deforment, plus interest, is repaid by the taxpayer or the taxpayer's estate.

Owners who meet the qualifications must repay the special assessment on his and/or her homestead when:

- A. The homestead or any part thereof is sold
- B. The homestead is transferred to another
- C. A contract to sell is entered into
- O. One year has clapsed following the owner's death, subject to further order by the probate court.

NOTE: Interest on the amount of deferment is increased by one percent per month or fraction of a month if A, B, or C apply, and the lien has not been paid. Interest will be computed from the date of conveyance, transfer, or contractual agreement.
