### **Milling & Resurfacing on Trotwood Lane**

Flint Charter Township, under permit authority of the Genesee County Road Commission, will be performing a milling and resurfacing operation on Trotwood Lane in Flint Township, starting Saturday, September 28, 2024. Main-line paving operations will commence on Monday, September 30. Thru traffic will need to seek alternate routing, and local traffic is advised to proceed with caution and to allow additional time to reach their destinations. Please contact Mr. Mike Pifer with Kraft Engineering & Surveying at [\(810\) 234-2694](tel:8102342694) for further details.

*Please slow down in work zones, for your family and ours.*
