MDOT to begin US-23 concrete repair project

Fenton Twp., Michigan. ---

The Michigan Department of Transportation (MDOT) will begin its US-23 concrete repair project on Sunday, April 6. Work will take place between the Livingston County line and Thompson Rd.

There will be lane closures from Sunday through Thursday each week throughout the project. The northbound US-23 entrance and exit ramps at Owen Rd. will be closed. The detour takes drives to Silver Pkwy. or Fenway Dr.

There will be future ramp closures announced at Silver Lake Rd. and Torrey Rd. The project is expected to be completed by the end of May. Please contact the MDOT Davison TSC at 810-653-7470 if you have questions.
