GCRC launches web page for Fenton Rd. road diet

Flint, Michigan. ---

The Genesee County Road Commission has launched an informational web page dedicated to the upcoming improvements on Fenton Rd. from Grand Blanc Rd. to Hill Rd. This resource is designed to provide residents with clear and accessible information about the project. The page includes details about project goals, anticipated benefits, and frequently asked questions. There is also a link to ask additional questions or leave comments.

The Road Commission encourages drivers to visit the page to learn more information about the project. Public engagement and transparency remain a top priority throughout the planning and construction process. For more information, visit: <https://gcrc.org/construction/fenton-rd-diet-information>.

Please contact Kylie Dontje, Communications Coordinator, at 810-767-4920 ext. 232 if you have questions regarding the web page.
