Concord Green Subdivision project begins

Grand Blanc Twp., Michigan. ---

The Genesee County Road Commission will begin its Concord Green Subdivision project on Monday, August 14. The project is expected to be completed at the end of October. Residents will be able to access their homes during construction. There may be temporary delays during paving. Residents are asked to please move vehicles parked in the roadway. Sprinkler systems should not be operated during construction, as excess water will hinder the progress of road repairs. If you have questions, please contact Gerrad Godley, Construction Manager, at 810-767-4920 ext. 236.
