Fenton Township, Michigan

Pavement Repair on Ripley Road

The Genesee County Drain Commission WWS will be performing pavement repairs on Ripley Road between Rolston Road and Lahring Road in Fenton Township starting Wednesday, September 11, 2024. Traffic will be maintained via flag control, and motorists are advised to seek alternate routing and to allow themselves additional time to reach their destination. The construction duration is expected to last one to two days, eyeing completion by September 13, 2024. Please contact Mr. Don Camp @ 810 732 7870 for further details.

Please slow down in work zones, for your family and ours.
