## *Public Meeting/Open House/Input Session*

### *Carpenter Road: Saginaw Road to Harry Street*

### *Pavement Rehabilitation and Reconfiguration to Three Lanes*

Genesee Township, Michigan. ---

The Genesee County Road Commission has announced that a public informational meeting for the Rehabilitation / Lane Reconfiguration of Carpenter Road from Saginaw Road to Harry Street will be held on **Thursday, September 17, 2020 from 6:30 PM to 8:00 PM** at the **Genesee Charter Township office**, located at 7244 N. Genesee Road, Genesee MI. The purpose of the meeting is to share information and get public input regarding the proposed rehabilitation and lane reconfiguration of Carpenter Road to a 3-lane roadway. The agenda will be an informal "Open House" with proposed maps, plans, costs and study reports available for public review. Comments from the public will be recorded. The public is welcome and encouraged to attend. Please be cognizant of Genesee Charter Township's current COVID-19 regulations of number of participants and one time, which may be in effect at the time of the meeting.

At present the project is still being designed. Actual construction work is proposed to begin in the Spring of 2021. The anticipated completion date is late Summer / early Autumn of 2021. The current plan for traffic control will be to maintain one lane for traffic in each direction.

The rehabilitation of this corridor is expected to cost over \$1,100,000. The project is being funded primarily with Federal Surface Transportation Program funds and contributing monies from the Genesee County Road Commission. The project will be administered and managed by the Genesee County Road Commission.

For more information or to submit comments or questions regarding this project please contact: Alexander Patsy, Programming & Development Engineer, 211 W.
