Phone: (810) 234-2694

Roadway Rehabilitation Projects start July 14th in Flint Township Flint, Michigan. ---

The **Genesee County Road Commission** will begin roadway rehabilitation projects in Flint Township at the following locations:

- Taft Road (Linden Road to TA Mansour Boulevard, July 14 – July 31)
- Lincor Parkway (Corunna Road to south end, July 31 – August 26)
- TA Mansour Boulevard (Corunna Road to Taft Road, August 26 – September 23)
- Nerredia Street (Lennon Road to 550' north of Lennon Road, September 8 – September 23)

The anticipated project start and completion dates are shown above. Dates are subject to change due to improved productivity or weather related delays. The work zones will be closed to thru traffic. Only local traffic (business owners, business patrons, & residents) will be allowed into the work zone at any time. Motorists are advised to proceed with caution and to allow themselves additional time to reach their destinations.

Please contact Michael Pifer, P.E. with Kraft Engineering & Surveying at (810) 234-2694 if you have questions.

--- ### ---

Please slow down in work zones, for your family and ours.
