Removal Study of Traffic Signal on Bristol Road at Otto Street

Flint, Michigan. ---

The Genesee County Road Commission will be evaluating the traffic signal at the intersection of Bristol Road at Otto Street in Flint Township. The signal will be operated in flash mode to simulate permanent traffic signal removal for a minimum of 90 days beginning July 15, 2021. Data collection of traffic volumes, delay experienced on Otto Street, available gaps in the traffic stream on Bristol Road and any crashes at the intersection will all be evaluated after the flash period is complete.

For further information please call Bonnie Wood in Traffic Engineering at (810) 767-4920.
