Public meeting on Linden Rd. reconfiguration

Mundy Twp., Michigan. ---

The Genesee County Road Commission will hold a public informational meeting about the rehabilitation and lane configuration of Linden Road from Hill Road to Linden Creek Parkway. The meeting will be held Wednesday, February 23, from 6 p.m. to 7 p.m. at the Mundy Charter Township office located at 3478 Mundy Avenue.

The purpose of the meeting is to share information and get public input regarding the proposed rehabilitation and lane configuration of Linden Road to a 3-lane roadway. The meeting will be an informal open house with proposed maps, plans, costs, and study reports available for public review. Comments from the public will be recorded. Please be aware of Mundy Township's COVID-19 regulations which may be in effect at the time of the meeting.

The project is currently still being designed, and construction is scheduled to begin in the summer of 2022. The anticipated completion date is late summer or early fall of 2022. The current plan for traffic control will be to maintain one lane of traffic in each direction. The rehabilitation of this corridor is expected to cost over \$250,000. The project is being funded primarily with Federal Highway Safety Improvement funds and contributing funds from the Genesee County Road Commission. The project will be administered and managed by the Genesee County Road Commission.

Please contact Alex Patsy, Programming & Development Engineer at (810) 767-4920 ext. 252 if you have questions.
