## **Public meeting on Beecher Road rehabilitation**

Flint Twp., Michigan. ---

The Genesee County Road Commission will hold a public informational meeting on the rehabilitation of Beecher from Graham Road to Ballenger Highway on Wednesday, March 23. It will be held from 6 to 7 p.m. in the community room of the Flint Charter Township Police Station. The purpose of the meeting is to share information and get public input regarding the proposed rehabilitation and lane reconfiguration of Beecher Road to a 3-lane roadway. The meeting will be an informal open house with proposed maps, plans, costs and study reports available for public review.

The project is currently still being designed. Construction is proposed to begin in the summer of 2022, with an anticipated completion date in late summer or early autumn of 2022. The rehabilitation of this corridor is expected to cost over \$800,000 and will be funded primarily with Federal Highway Safety Improvement Funds and contributing money from the Genesee County Road Commission.

Please contact Alex Patsy, Program & Development Engineer, at 810-767-4920 ext. 252 if you have questions or comments.
